

EUSR – National Water Hygiene & DOMS

Aims

All UK water companies require individuals entering clean water sites or working on the clean water network – known as ‘Restricted Operations’, to hold a National Water Hygiene EUSR registration. An appropriate DOMS registration is required for all individuals working on water distribution activities within the Scottish Water region. This includes, but is not limited to, all Scottish Water and Scottish Water Solutions operational personnel, contractors, consultants, delivery partners, framework suppliers and self-lay organisations.

Who Attends

This course is for operatives, supervisors and managers who require access to operational sites within the water industry. You must hold the NWH qualification to access a clean water site and the DOMS qualification is needed specifically for Scottish water sites. This includes 'Restricted Operations' such as service reservoirs, pumping stations, treatment works, wells, springs boreholes or working on the network of water mains and service pipes.

Course Content

Session 1 - National Water Hygiene

- Module 1: The importance of water
- Module 2: Water as a carrier of disease
- Module 3: Potential contamination and its consequences
- Module 4: Preventing contamination

Session 2 – DOMS

- Module 1: DOMS Hygiene Practices
- Module 2: DOMS Hygiene Sampling Procedures
- Module 3: DOMS Hygiene Tools & Equipment
- Module 4: DOMS Disinfection Procedures
- Module 5: DOMS Repair and Maintenance Procedures
- Module 6: DOMS Boundary Valve Management
- Module 7: DOMS Treated Water Storage Points Maintenance
- Module 8: DOMS Repair of Mains & Services
- Module 9: DOMS Secondary Disinfection Treated Water Storage Points
- Module 10: DOMS Pumping Station Failures - Electrical/Mechanical
- Module 11: DOMS General Maintenance Activities
- Module 12: DOMS Network Operability

Course Duration

This is a 1 day course.

Maximum Candidates

Maximum attendees: 12 candidates

Qualification Obtained

Upon successful completion candidates will gain the National Water Hygiene and DOMS qualifications through EUSR, valid for 3 years.

Entry Requirements

The minimum entry requirement is a good understanding of spoken and written English.
